

IT Project Manager (m/f/d)

We are looking for motivated IT Project Managers (m/f/d) in permanent positions for our offices in the HAMTEC Technology Center in Hamm (Westf.).

Wer sind wir?

Since its foundation in 1995, Kleen Software GmbH has been offering its customers from the industrial and technical sectors tailor-made software solutions and helping them with process optimization and automation at the Hammer Technology Center (HAMTEC). Our focus is particularly on CAD software solutions, web tools and configurators.

This job advertisement emphasizes the openness to career changers and offers opportunities for further training to facilitate entry into the IT sector.

Was sind deine Aufgaben?

- Leading and managing IT projects from initialization to completion
 - Creating and monitoring project schedules, budgets and resources
 - Coordinating and communicating with stakeholders and team members
 - Identifying and managing project risks and issues
 - Ensuring compliance with quality standards and best practices
 - Reporting on project status to management
-

Was solltest Du mitbringen?

- Bachelor's degree in computer science, information technology or a related field
 - Experience in project management or willingness to undergo further training in this area
 - Knowledge of project management methods and tools
 - Excellent communication and leadership skills
 - The ability to coordinate projects and meet deadlines
 - Career changers with the desire to lead teams and coordinate projects are very welcome
-

Was bieten wir dir?

- A permanent position and fair remuneration
 - A company with short decision-making processes and flat hierarchies
 - A relaxed working atmosphere in a dynamic team
 - Varied projects in different industries
 - The opportunity to grow and further your education
 - Flexible organization of your working hours
-

Have we piqued your interest? Then become part of our team and apply to us immediately by e-mail with your CV, references, etc. We will be happy to answer your questions via jobs@kleen-software.de.

We look forward to hearing from you and receiving your application.
