

Working Students Technical Management and Marketing (m/f/d)

We are looking for motivated employees for the Technical Management and Marketing department (m/f/d) for our offices in the HAMTEC Technology Center in Hamm (Westf.).

Wer sind wir?

Since its foundation in 1995, Kleen Software GmbH has been offering its customers from the industrial and technical sectors tailor-made software solutions and helping them with process optimization and automation at the Hammer Technology Center (HAMTEC). Our focus is particularly on CAD software solutions, web tools and configurators.

This job advertisement emphasizes the openness to career changers and offers opportunities for further training to facilitate entry into the IT sector.

Was sind deine Aufgaben?

- **Support in technical product management:** Assistance in the technical support and further development of our own products.
 - **Assistance with marketing activities:** Support in the development and implementation of marketing strategies.
 - **Market research:** Helping to monitor the market and identify trends and opportunities for our products.
 - **Collaboration:** Working closely with the marketing and development team.
 - **Customer communication:** Support in communicating with existing and new customers.
-

Was solltest Du mitbringen?

- Enrolled student in the field of computer science, business informatics, marketing or a comparable qualification.
 - Interest in the field of product management or marketing of software products.
 - Good communication skills.
 - Independent and structured way of working.
 - Ability to work in a team and high customer orientation.
-

Was bieten wir dir?

- A challenging and interesting job in an innovative company
 - A company with short decision-making processes and flat hierarchies
 - A relaxed working atmosphere in a dynamic team
 - Varied projects in different industries
 - The opportunity to grow and further your education
 - Flexible organization of your working hours
-

Have we piqued your interest? Then become part of our team and apply to us immediately by e-mail with your CV, references, etc. We will be happy to answer your questions via jobs@kleen-software.de.

We look forward to hearing from you and receiving your application.
