KLEEN SOFTWARE

# Student interns Technical Management and Marketing (m/f/d)

**We offer motivated and interested interns the opportunity to gain an insight into the world of work. As part of our team, you will have the chance to gain practical experience in development in the areas of technical management and marketing.**

## Who we are?

Since its foundation in 1995, Kleen Software GmbH has been offering its customers from the industrial and technical sectors tailor-made software solutions and helping them with process optimization and automation at the Hammer Technology Center (HAMTEC). Our focus is particularly on CAD software solutions, web tools and configurators.

This job advertisement emphasizes the openness to career changers and offers opportunities for further training to facilitate entry into the IT sector.

## What are your responsibilities?

- Ongoing studies in technical management and marketing or comparable qualification
- Collaboration in the development of our own products
- Support in the creation of marketing strategies
- Observing the market and identifying trends and opportunities for our products
- Support in the maintenance of our company's websites
- Collaboration in the maintenance and further development of our company's branding

## What should you bring with you?

- Enrolled student (m/f/d) in the field of technical management and marketing, or comparable
- Basic knowledge in the areas of management and marketing
- Ability to work in a team, initiative and high motivation to work in a dynamic environment

---

## What do we offer you?

- A challenging and interesting job in an innovative company
- A motivated team and a pleasant working atmosphere
- Flexible working hours
- The opportunity to gain valuable experience in the areas of management and marketing

---

Have we piqued your interest? Then become part of our team and apply to us immediately by e-mail with your CV, references, etc. We will be happy to answer your questions via **jobs@kleen-software.de.**

We look forward to hearing from you and receiving your application.
